Asian Productivity Organization (APO)
2F, UNIZO Hongo 1-Chome Building
1-24-1 Hongo, Bunkyo-ku,
Tokyo 113-0033, Japan

*Assalamualaikum wrt.
Sdr. Dr. Indra.*

Invitation to Visit Malaysia Productivity Corporation (MPC)

On behalf of the Board of Management of Malaysia Productivity Corporation (MPC), I would like to express our sincere congratulations to you upon the assumption of your new position as the Secretary-General of APO. I believe that under your leadership, APO will be able to achieve strong synergy and good governance among all member economies.

As you are aware, in 2019, MPC established a certification body, MPC-CB, to certify productivity experts for the Productivity Specialists scheme and in September 2021, MPC-CB has successfully obtained its accreditation certificate from the Asian Productivity Organizational Accreditation Body (APO AB). In conjunction with that, we would like to cordially invite your good self to officially launch the MPC-CB office and for the Productivity Specialists Certificate Presentation, on 2 March 2023.

Enclosed with this letter is the tentative agenda for your kind reference.

Thank you again for the continuous assistance and warmth friendship rendered to us, and I look forward to greater productivity collaboration between MPC and APO secretariat.

Thank you.

'DRIVING PRODUCTIVITY OF THE NATION'

Yours sincerely,

DATO' ABDUL LATIF HAJI ABU SEMAN
APO Alternate Director for Malaysia
Director General
Malaysia Productivity Corporation
