TARIKH/ GARIS MASA Keterangan: Jadual mula dan akhir pelaksanaan projek/ cadangan	8 – 9 Mac 2023
TUJUAN & LATAR BELAKANG Keterangan: Tujuan dan penerangan ringkas mengenai projek	The upcoming 3rd BIMP-EAGA TVET Conference in 2022 aims to use cultural, social, and educational activities as a means of fostering a strong community through the involvement of students and youths. The goal is to enhance the partnership between TVET and Higher Education Institutions, with a focus on improving competencies and sharing information and technology. Malaysia plans to use this conference as an opportunity to showcase itself as a prominent education hub in the BIMP-EAGA region, in line with BIMP-EAGA Vision 2025. The conference, which will run for two days, will feature a range of speakers, including leading experts, practitioners, and thought leaders from academia, industry, and government. The conference will cover four sub-themes, including Innovation and Technology, Human Resource Management and the Way Forward, Green TVET, and Strengthening Partnerships Among BIMP EAGA TVET and HEIs. Attendees will have the chance to gain valuable insights into these topics and learn about the significance of contributing to TVET's continued transformation to meet present and future needs. Objectives: 1. A platform for sharing best practices in TVET talent development for future workforce. 2. To identify and incorporate 'must-have' twenty-first century attributes and skills in TVET curricula, to facilitate the development of future-ready TVET Graduates. 3. A platform to discuss the necessary evolution of TVET amidst the blistering pace of technological innovation(s) and various massive transformations such as the multigenerational workforce and the importance of collaborative intelligence. 4. A platform to network and strengthen collaboration in building future workforce. 5. Strengthening collaboration(s) between the industries and institutions with an emphasis on public – private partnerships.
