Dear Mr. Muhammad Alif,

Referring to our previous email, regarding Malaysia's request for additional APEC funded participant, upon our internal review we are pleased to approve the proposal to nominate Mr. Mohammad Khairul Hakim Zainoor as Moderator. He will lead panel sessions and managing the flow of the session on Day 1 (please refer to GIC Agenda). For further administrative and accommodation, please coordination with the APEC secretariat.

Should you have any further inquiries or require additional information, please do not hesitate to reach out.

Best regards,
