Dear Sir/Madam,

TRICELIS AT THE UNIVERSITY OF OXFORD – BUSINESS CLASS

Special Award: Advanced Diploma in Innovation and Strategy

Congratulations! Your place in the prestigious Triple Crown Executive Leadership, Innovation, and Strategy (TriCELIS) programme has been reserved. The programme will be held at the University of Oxford (4 days), the University of London (2 days), the BMW-Mini UK Factory (1 day), and the Jaguar Land Rover UK Factory (1 day), culminating in a convocation at the House of Commons, UK Parliament.

The seminar at the University of Oxford marks a significant milestone, as it is the first time the programme will be hosted at this world-renowned institution. Previously, similar programmes were conducted exclusively at the University of London or the University of the West of Scotland.

In addition, participants now have the opportunity to add a TriCELIS Scopus-indexed research paper, which will be published by Universiti Teknologi Malaysia.

We look forward to welcoming you to this distinguished programme and wish you every success in your learning journey.

Best wishes and thank you.

Sincerely,

Azreen
