**63rd Workshop Meeting of Heads of NPOs (WSM)
18–20 October 2022, Bangkok, Thailand**

Modality and Venue

Dear NPO Heads,

In preparation for the 63rd WSM, I am pleased to inform you that 18 APO members, excluding host country Thailand, had confirmed in-person attendance, while one member indicated virtual attendance.

The Secretariat therefore confirms that the 63rd WSM will be held in the face-to-face modality. The country that is unable to send delegates to attend in person will be connected virtually.

Other details on the WSM arrangements including updates on travel protocols and contingency plans will be communicated when they become available.

I would like to request all NPO Heads and delegates to kindly reserve the dates for the meeting including travelling time.

Sincerely,

Dr. AKP Mochtan
Secretary-General
