TAJUK	PEMUDAH Private Sector Meeting 11/2022 and Appreciation Dinner 2022
TARIKH/ GARIS MASA	28 November 2022
TUJUAN & LATAR BELAKANG	<p><u>Objective</u></p> <p>To deliver regulatory reforms at Federal and State levels in improving ease of doing business, national competitiveness, and productivity as well as a networking platform between PEMUDAH and Regulators.</p> <p><u>Background</u></p> <p>PEMUDAH is working closely with the Government and the Private Sector to help businesses survive through pandemic struggles and to help accelerate national economic recovery by resolving regulatory issues and increasing international competitiveness, efficiency, productivity, innovation, and sustainability.</p> <p>PEMUDAH will facilitate growth in the sectors prioritised under RMKe-12 by harmonizing regulatory requirements with entrepreneurs' needs to start, expand, or upgrade their businesses with ease at minimum costs and to continue to operate seamlessly.</p> <p>The work of PEMUDAH is in line with the task given to MPC as mandated by JPA to increase Malaysia ranking in the Competitiveness Report such as World Competitiveness Yearbook (WCY), Global Competitiveness Report (GCR) and Ease of Doing Business Report.</p>

JUSTIFIKASI	PEMUDAH is a strategic platform to discuss and review existing regulations (regulatory policy and delivery) in terms of processes, procedures, legislation, and human resources and to propose new policies for improvements. This will contribute to the improvement of Malaysia's competitiveness and productivity.
