

YBhg. Dato' Abdul Latif Haji Abu Seman  
Director General  
Malaysia Productivity Council (MPC)  
Lorong Produktiviti, Jalan Sultan  
46200 Petaling Jaya  
Selangor

January 3, 2023

Dear YBhg. Dato',

**INVITATION TO THE LAUNCHING OF THE ROBOTICS FOR UNIVERSITY (ROBOFUN) PROGRAM**

On behalf of Intel Malaysia, I am pleased to invite YBhg. Dato' to the launch of the Robotics for University (Robofun) Program with the details as below:

**Date : 16<sup>th</sup> January 2023 (Monday)**

**Time : 9 am – 12 pm**

**Venue : Intel Penang PG16**

*(refer to **Appendix 1** for detailed agenda for the event)*

RoboFUN is a collaboration between Intel, MIDA, MPC and SCUTTLE Robotics Asia involving 5 local universities, namely University Malaya (UM), Universiti Putra Malaysia (UPM), University Sains Malaysia (USM), Universiti Teknologi Petronas (UTP), and Universiti Tunku Abdul Rahman (UTAR). It aims at putting the latest Autonomous Mobile Robot (AMR) into practice to enhance the appreciation of students and lecturers on robotics technology.

The physical training curriculum of RoboFUN, developed by Intel and SCUTTLE, will cover from AMR assembly to solutions development to make it capable of functioning to the need of each AMR use case. Meanwhile, MPC and MIDA, will support the program coordination and management. We are hopeful that this effort would enable university lecturers and students to step up to the real challenge in delivering home-grown AMR solutions to the local market.

We hope you would be able to accept this invitation and we look forward to hearing from you. For further enquiries, please don't hesitate to reach out to Dr Thomas Ooi, Director of Central Solutions Enabling, Intel Network and Edge Solutions Group at +6016-2010648 or email at [thomas.wei.min.ooi@intel.com](mailto:thomas.wei.min.ooi@intel.com).

Thank you.

Sincerely,

**Anna Amalina Imam Baweh**  
Director, Government Affairs  
Intel Malaysia

## Appendix 1

### Agenda for Robofun Launching

Date: 16<sup>th</sup> Jan 2023 (Monday)

Time: 9 am – 12 pm

Venue: Intel Penang PG16

Time	Activities
9:00 am – 9:45 am	Registration & Refreshment <i>*Refreshment will be provided</i>
10:00 am – 10:10 am	Welcome Remarks by Intel
