TAJUK Keterangan: Tajuk Projek/ Cadangan	Implementation of Good Regulatory Practices through Regulatory Impact Assessment (RIA) at Ministry and Agency Level
TARIKH/ GARIS MASA Keterangan: Jadual mula dan akhir pelaksanaan projek/ cadangan	19 June 2023 – 29 December 2023
TUJUAN & LATAR BELAKANG Keterangan: Tujuan dan penerangan ringkas mengenai projek	Objective : To improve quality of regulation Background In the 12th Malaysia Plan, Chapter 2-Strategy E3 Strengthening Policies and Legislation has highlighted that policies and legislations need to be more agile and responsive. Efforts will be undertaken to strengthen existing legislation as well as develop and review relevant policies. A conducive regulatory environment will facilitate sectoral transformation to move up the value chain. Government agencies will be required to adopt Good Regulatory Practices (GRP) to increase transparency, especially in disseminating information related to changes in law and regulations. This will enable industry to keep abreast with the latest regulations in ensuring compliance. Therefore, accelerating the adoption of the Regulatory Impact Analysis (RIA) for the development of new regulations programme is part of GRP initiatives that could help policy makers and regulators to develop better and quality regulation.
JUSTIFIKASI Keterangan: Penjelasan yang menyokong kepada pelaksanaan projek/ cadangan	Adoption of RIA supports better regulation through: • Sound analysis of the case for government intervention in response to a perceived problem and the rationale for a regulatory action • Informed decision making of the likely impact of the available options, giving specific attention to impact on business (including SMEs) and society • Support transparency in decision making by providing a process and instrument for engaging stakeholders and explaining the case for government action.
