1	Pematuhan penyediaan Garis Panduan Nota: Pihak kami telah membuat perbincangan kumpulan bersama-sama dengan pihak Agensi berkenaan dengan pematuhan kepada penyediaan Garis Panduan bagi lesen operasi perniagaan sepertimana mengikut garis panduan dan penerangan yang telah diberikan dan dibekalkan oleh pegawai-pegawai MPC di dalam sesi Bengkel.
2	Pemahaman tujuan, skop dan perkara-perkara dalam Garis Panduan sepertimana dibekalkan oleh MPC Nota: Sepanjang bengkel tersebut, pihak kami sebagai associate telah membantu pihak agensi untuk memahami apakah tujuan, skop dan perkara-perkara yang harus ada di dalam Garis Panduan tersebut. Kami dapati bahawa pada permulaan bengkel, pihak agensi memaklumkan bahawa mereka masih belum mempunyai garis panduan yang sempurna bagi kesemua lesen walaupun bagaimanapun mereka telah mempunyai garis panduan dari segi carta alir, senarai semak dan maklumat tambahan bagi setiap kategori lesen.

Dilampirkan sesalinan Semakan Awal Ketelusan Pelesenan Perniagaan bagi Majlis Perbandaran Padawan, walaupun bagaimanapun kemungkinan terdapat perubahan jumlah lesen yang akan dibangunkan bagi sesi Bengkel ini, dan akan dimaklumkan dari masa ke semasa.

Gambar-gambar ini menunjukkan perbincangan di antara ahli kumpulan Encik Charles Kung dan Puan Christian Rosebell bersama Associate pada bengkel tempoh hari.

Gambar-gambar ini menunjukkan pembentangan hasil dapatan perbincangan berkeitan dengan lesen yang akan dibangunkan serta meperhalusi apakah maklumat-maklumat yang harus dimuatkan di dalam Garis Panduan kelak.
