Dear Puan Farah,

Hope you are keeping well.

2. Can we check whether there are nominations from Capital already? MITI Brussels were made to understand that the selection for the scholarships will be considered among the registered pool of applicants. Therefore, we were advised by POABI to submit our nominations before **18 August 2023**.

3. Let me know if you need any further information.

Thank you.

Ahmad Kamal

Dear Puan Nazahiah,

I wish to refer to our conversation on the above matter.

2. As you already know **Port of Antwerp-Bruges International (PoABI)** is planning an exclusive seminar in Antwerp for Asian shippers and forwarders next October and sought MITI's assistance to extend the invitation to potential interested participants in Malaysia. Thus, we would like to kindly seek assistance from MPC / secretariat of Logistics Productivity Nexus to extend the invitation to shippers and forwarders.

3. Forwarding to you the email from PoABI for your further action.

Your kind cooperation on this matter is much appreciated.

Thank you.

Dear Zaireen, Kamal,

It's my pleasure to virtually meet you here. From October 4th to 11th, the Port of Antwerp-Bruges will host a seminar specifically targeting South East Asia shippers and forwarders. This seminar aims to showcase the strategic location of the Port of Antwerp-Bruges and its excellent connectivity to Europe's largest economic markets. By attending this seminar, participants will gain valuable insights into the advantages and opportunities that the port offers for businesses in South East Asia.

To support participation, limited scholarships will be made available for eligible attendees. It is important to note that each company can only receive one scholarship, and the recipients will be selected from the pool of registered participants.

I have attached the brochure for this seminar, which provides detailed information about the event and its agenda. Additionally, you can find the registration link provided below:

If you know of any shippers and forwarders in Malaysia who might benefit from attending this seminar, I would greatly appreciate it if you could share this message with them.

Thank you for your attention, should you have any further questions or require additional information, please do not hesitate to reach out.

Thanks and best regards,

Tingting

Onderwerp: Port of Antwerp-Bruges Asia seminar

Dear Zaireen, Kamal,

It was a pleasure meeting you last Wednesday in Antwerp. I trust the delegation made it in time to the airport for their onward journey?

As I mentioned we are currently planning for an exclusive seminar in Antwerp for Asian shippers & forwarders next October. It would be great if we could also get some input from you regarding potentially interested participants.

My colleague Tingting (ric) is in charge of the programme. She will be in contact with you with some further information about the event and the recommended participants profiles. If you would have a list of potentially interested parties or a way to bring the seminar to the attention of them, it would be much appreciated.

Thank you and kind regards,

Tom
